

# KEURIG

## GREEN MOUNTAIN

## Keurig's Touch Screen Office Sensation

Now everyone in the office can enjoy their personal choice of delicious coffee, tea or cocoa. Name brand products, variety, simplicity...it's that easy. The secret behind the Keurig brewing sensation is the K-Cup. Oxygen, light and humidity are locked out, while flavor and freshness are locked in.

The K150P packs many of the features of the K3000se into a sleek, attractive design that is almost half the footprint and is perfect for smaller offices.

### K150P Specifications:
