

WHAT IS THE REFUEL CAFE?

Fueled by Corporate Coffee Systems, the ReFuel Cafe is an upscale, convenient and sanitary micro market. Micro markets are miniature food retail spaces with self-checkout technology, very much like the ones you would find at a hotel or rest stop.

Here are just some of the perks associated with our markets.

- 24 hr Surveillance & Security.
- Simple & Intuitive.
- Promotes Lunch & Learn Sessions.
- Available all day, everyday.
- Self-Sustaining.
- Cashless payment options.
- Fully Customizable.

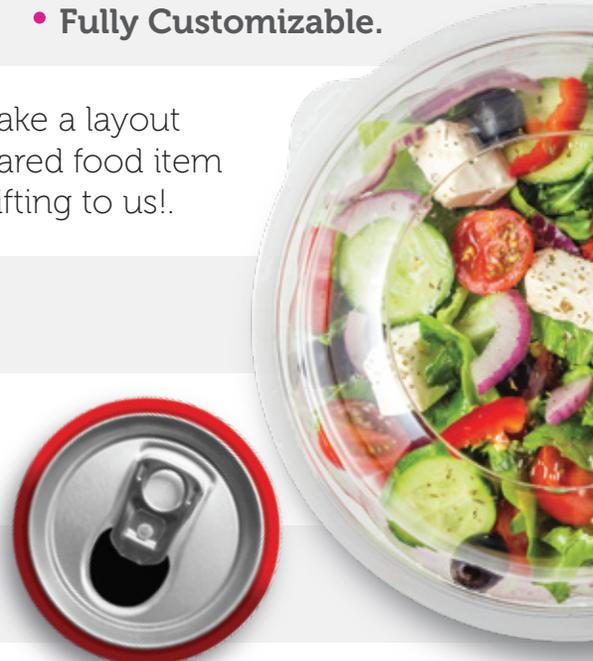

Our ReFuel Cafe experts can tailor-make a layout containing any snack, beverage, or prepared food item to suit your needs. Leave the heavy lifting to us!
