Dear Valued Clients,

Office Universe (OU) strives to excel in providing you with the utmost quality service. Daily, we are being faced with unprecedented shipping costs from carriers like UPS, FedEx and other common carriers. We can no longer absorb these costs, and have no choice but to pass on these added freight charges to our clients purchasing drop-ship cartons of copy paper outside the NYC Metro area.

If you are ordering cartons of copy paper to be delivered outside of the NYC Metro area, please contact your OU Sales Person or Customer Service Representative at 800.609.5707, prior to placing your order. Together we will work on a solution to better serve you.

Thank You,  
The Team at Office Universe
