

CHAMPION 7

For a revitalized break room experience, Follett's innovative ice and water dispenser is up for the task. This dispenser features Chewblet ice, a chewable nugget that chills beverages such as iced coffee, tea, and other drinks. With a high-volume production of up to 100lbs daily, this dispenser perfectly suits offices up to 50 people.

FEATURES INCLUDE:

- **Drainless** - no drain is required.
- **Sanitary** - touchless dispensing is activated by hovering a finger in front of the sensor.
- **Attractive** - stylish design complements any work space.
- **Antimicrobial** - Agion® silver-based antimicrobial product protection of key ice and water contact components.
- 4.3" touch screen
- UV Light equipped
- Contains Claris Ion exchange filter
- 7lbs ice storage
